(Attach additional paper if necessary)

**Section 3: Borrower Certification**

I understand that: (1) I must pay my current scheduled payment amount until I am notified by GSFA that my forbearance has been granted; (2) During the forbearance period, principal payments may be forborne, but interest will continue to accrue; (3) If I request a temporary suspension of payments, interest that accrues during the forbearance will be capitalized unless the full interest amount is paid before the ending date of the forbearance; (3) All interest that accrues during a forbearance period could increase my monthly payment amount after the forbearance ends; (4) If I am on the *Automatic Debit Payment Option*, this will stop as soon as my forbearance is processed. I must contact GSFA to reapply; and (5) My forbearance will be granted to cover my delinquency period not to exceed 24 months for the life of the loan.
